Mr. David Lewis  
Executive Director of  
Corruption Watch  
87 De Korte St, Johannesburg, 2001

Ref: letter of Gratitude and appreciations.

Dear Mr. David Lewis,

I hope I find you well. On behalf of The African Diaspora Forum (ADF), I hereby write to express gratitude to Corruption Watch for the recent donation you made, of food parcels meant for the less privileged members of especially the migrant community.

Your kind and generous gesture could not have come at a better time than this critical stage and it went a long way in alleviating the state of desperation among the beneficiaries.

It is also a big honour for ADF to have such a donation and be associated with Corruption Watch, such a respected organization in terms of fighting corruption in South Africa.

We sincerely hope that this gesture will further cement our resolve to achieve both a better life for migrants in South Africa and social cohesion between migrants and locals.

Yours Faithfully
