TO WHOM IT MAY CONCERN

This serves to confirm that The Star Newspaper fully supports the initiative of the African Diaspora Forum in partnership with LETU 6 in Johannesburg entitled the "Youth African Soccer Cup" that is taking place in East Johannesburg from April to June 2009.

The initiative addresses some of the core objectives of The Star:

- It actively fights xenophobia and promotes an integrated society;
- It invests in the youth, its education, its future, and contributes towards nation-building
- It spreads information and knowledge about the world in general, and about the African continent in particular.

Furthermore, The Star has been working with the African Diaspora Forum for about a year and is confident that its projects are solid, long-term and not once-off initiatives. The Star therefore continues to support ADF projects through the provision of office space at 47 Sauer Street, media coverage when relevant, and the allocation of the sum of R100000 for this specific educational project.

Do not hesitate to contact me should you require any additional information.
